The Magic Name

CALROSSIE
DIAMOND.

Senior stock bull at both Melbourne and Leveldale, he has written a new chapter in modern Shorthorn history. As the sire of International champions, winning gets-of-sire and a host of first-prize winners, his reputation is unequalled. More important, his calves carry the exceptional thickness of loin and quarter so vital to today's beef industry.

BASILDON PREMIUM. From the verdant hills of England comes this important outcross bull with invigorating new blood for the breed. By Basildon Golden Age, he is from a long line of Princess Royals and his dam is by Pittodrie Kavass. A bull of exceptional size and substance, he is noted for his heavy bone and big feet.

MAGIC IS PERFORMANCE . . . not just a word. And year after year . . . generation after generation . . . in one of the world's foremost breeding programs, the Magic of Melbourne has been proved by superior performance.

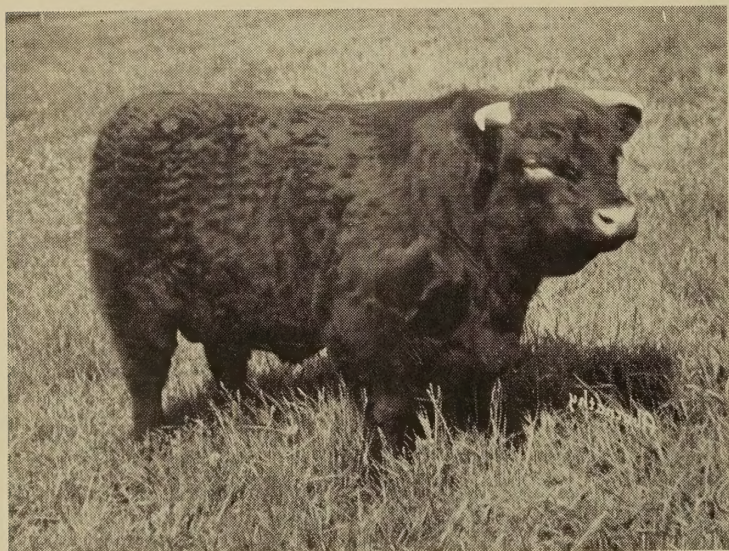

Few herds in the history of Shorthorns anywhere has ever been built on a foundation as sound as Melbourne's. None has ever been assembled with more care, regardless of cost. No breeding program has ever been more wisely conceived or more carefully carried out.

The John Alexander family has a love for Shorthorns and the land that spans several generations. A number of rich Kane County farms and an extensive commercial feeding program have long been an important part of the family enterprises.

The Melbourne Shorthorn herd has been developed to aid in the future improvement of these commercial cattle. With this realistic goal in mind, the breeding program has been developed.

Melbourne is not tied irrevocably to one bloodline or one type. The program is simply to develop the best, most modern and most economical Shorthorn cattle to meet the increasingly more exacting requirements of today's volatile beef industry. Thus at Melbourne you will see representatives of every good line of Shorthorn blood being fused together to produce the most efficient beef animal possible.

Many herds talk about size and substance in their cattle but few are doing more to incorporate these very important traits. Ask anyone who has seen the massive Remitall Captain Jim or the big Basildon Premium. They'll tell you that they are bulls with character and size together with the superb quality that has made Melbourne famous.

MELBOURNE MASTERPIECE was second top-selling bull of the breed in the U.S. when a two-thirds interest brought \$5,800 in the 1965 Melbourne sale. He is by Calrossie Diamond and is owned jointly with George H. Miller, Thomaston, Ga., the buyer.

MELBOURNE CONSORT was top-selling bull of the breed in the U.S. in 1965 when he sold for \$7,700 to Bilmar Farms, Durand, Mich. He is one of the first sons of Basildon Premium and brings this important blood to the successful Bilmar herd.

in Shorthorns

The Melbourne cow herd, of course, is one of the world's best. Rich in daughters of Calrossie Diamond and Leveldale Basis, there is an abundance of powerful cows of every good bloodline from throughout the continent and Great Britain.

Lest anyone think that this is just a hodge-podge of champions and top-sellers, all he has to do is pay careful attention to the type and conformation of each cow in the herd. This is the kind of unique uniformity that is achieved only after years of careful breeding and judicious culling.

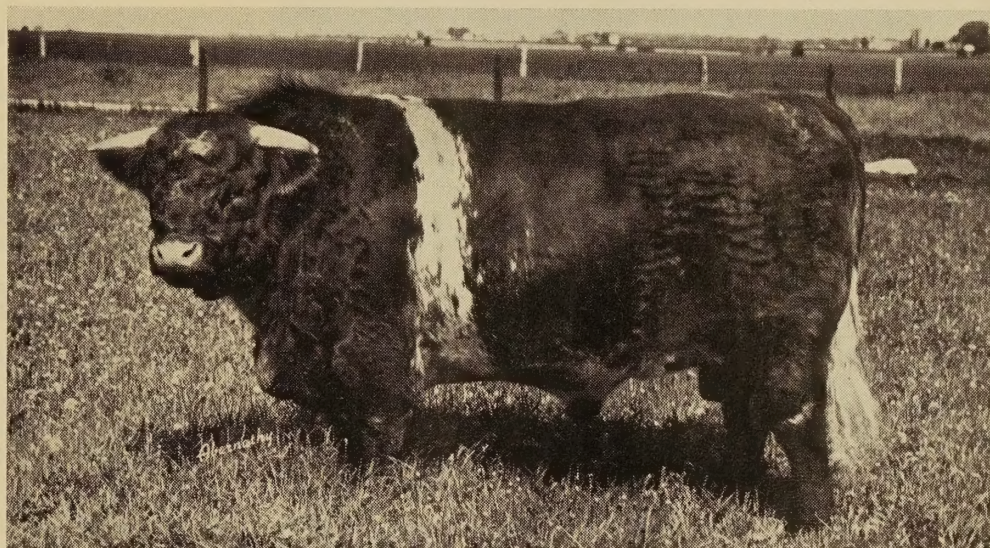

That these goals have been admirably attained is self-evident. We urge you to spend every available minute on November 6 and 7 inspecting this matchless cow herd and the mighty stock bulls at its head. We can give no greater guarantee for every bull and female selling than its rich ancestry.

COVER PICTURE

Two of the best known and most respected men in the Shorthorn business are discussing preliminary plans for the second annual Melbourne Sale. "Mr. Shorthorn," Les Mathers, Mason City, Ill., left, and John Alexander, Big Rock, Ill.

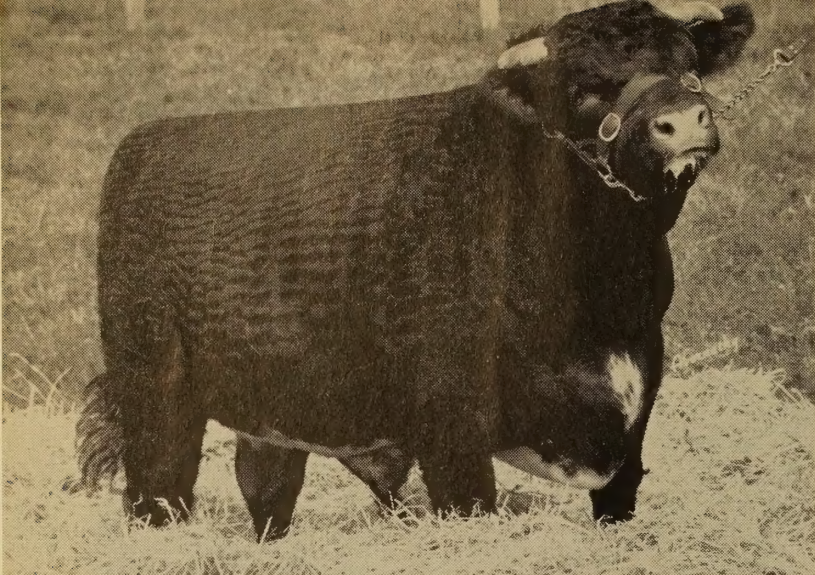

MELBOURNE PEMBERTON by Basildon Premium has been retained for stock bull duty at Melbourne. He is out of Melbourne Princess Royal 4th by Calrossie Diamond and his dam is by the famed Leveldale Basis. Here is the modern-day Melbourne breeding program wrapped up in one outstanding package. Pemberton is the service sire of a number of females selling.

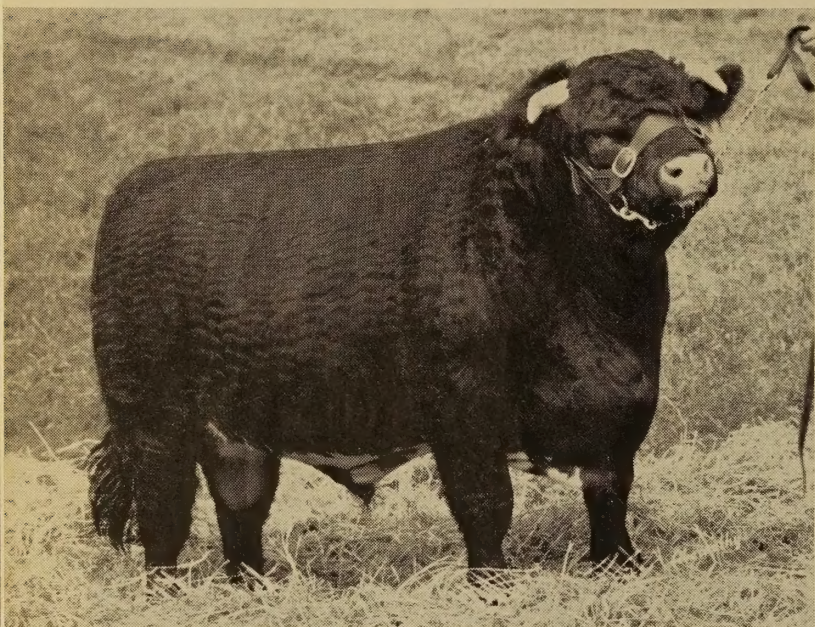

REMITALL CAPTAIN JIM by Kelburn Great Event was purchased for the Melbourne herd at the top of the Canadian International Bull Sale. A bull of exceptional size, he weighed 1,955 pounds at 23 months of age. From the prolific Remitall Costly Lily family, he is backed by Pittodrie Fortune on the dam's side. Captain Jim is a full brother to the grand champion bull of the 1963 National Western and is the featured service sire of the Melbourne females.

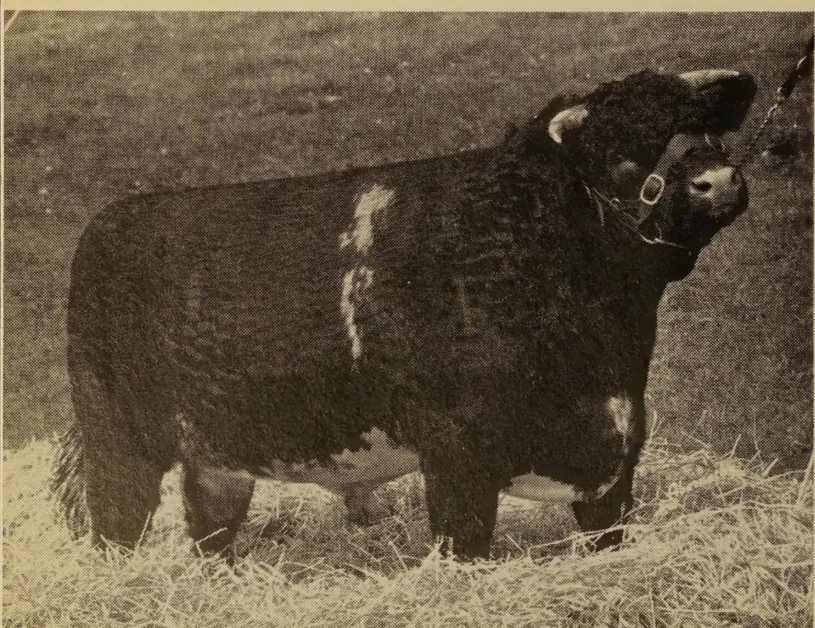

With the requirements of today's demanding beef industry uppermost in mind, Melbourne plans its breeding program to supplement vast commercial feeding operations on its rich Illinois farms. The carload above was exhibited by Melbourne in carload competition at the International Livestock Exhibition.

MELBOURNE REPUTATION, Lot 1.

MELBOURNE CRUISER — A growthy, smooth son of Premium, he was raised under ideal outdoor conditions to go to work for his new owner. His dam is the good cow sold in the 1965 sale to Loren Davis, Big Rock, Ill., where she produced a show heifer for him this year. The granddam is a big, dark red cow that produced Leveldale Charmer, 1965 All-American summer yearling bull now in service for G. E. Steen, Anson, Tex. Semen check excellent. Weight 1,285 pounds on Sept. 9, 1966.

MELBOURNE REPUTATION — The fourth great son of the first AAA cow in the United States, Melbourne Rosebud by Cruggleton Leishman. This one is by Basildon Premium. We have kept five good heifers out of this cow. She also produced Melbourne Radium by Leveldale Basis, going to H. A. Van Sant, Maxwell, Calif.; Melbourne Rudyard by Melbourne Rodney, sire of show steers for Walter Shea and Sons, Metamora, Ill.; Melbourne Robinhood by Calrossie Diamond sold to Hugh Moore & Son, Jerseyville, Ill., where his first calves look very promising. We think you will be very impressed by this bull, and we are certain his calves will be improvers of Shorthorns wherever they may be. Semen check excellent. Weight 1,300 pounds on Sept. 9, 1966.

MELBOURNE RICHMOND — Great breeding bulls have great dams, and the dam of Richmond fits that description. She has produced Leveldale Richard, used at Leveldale after an illustrious show career; Leveldale Rothes Queen 6th, sold to Jerry Clodfelter, where she is producing All-American Polled Shorthorns for him; Leveldale Rythm, senior sire at Burke Allison's in Indiana, Leveldale Rothes Queen 8th, All-American two-year-old in 1964, and following Richmond, Melbourne Rothes Queen 23rd that will be our junior yearling show heifer in 1967. Richmond stood third at the 1966 Illinois State Fair in a strong class and has the bone and strength inherited from his sire. He is exceptionally smooth and a favorite of many visitors. Semen check excellent. Weight 1,215 pounds on Sept. 9, 1966.

MELBOURNE ARGUS — Weaned from his old dam rather young, he was lot fed with a group of bulls all of his life, but has developed into a bull of showing caliber. Argus has classic rear quarters, with balance and smoothness to go with them. He has the bone of the Premiums. His sire was the first son of the old bull and is now in service for Rae Guth and Sons, Washington, Ill. On the dam's side he descends from the grand old Dryn timer cow that never failed to put a show calf in the Leveldale show herd from 1952 to 1962. Topped off with the International grand champion Leveldale Critic, this bull will continue to have friends wherever he goes. Semen check excellent. Weight 1,325 pounds on Sept. 9, 1966.

MELBOURNE GRANDEE — This son of Melbourne Augustine has taken everyone's eye all summer. He continued to attract attention at the Illinois State Fair standing second to the reserve junior champion bull in class. His young dam, by Calrossie Diamond, is one of our best young cows. His granddam is the most prolific cow we have owned. Grandee has the length, thickness, quarter and bone demanded in a stock bull. He weighed 800 pounds on Sept. 9, 1966. His semen will be checked prior to the sale.

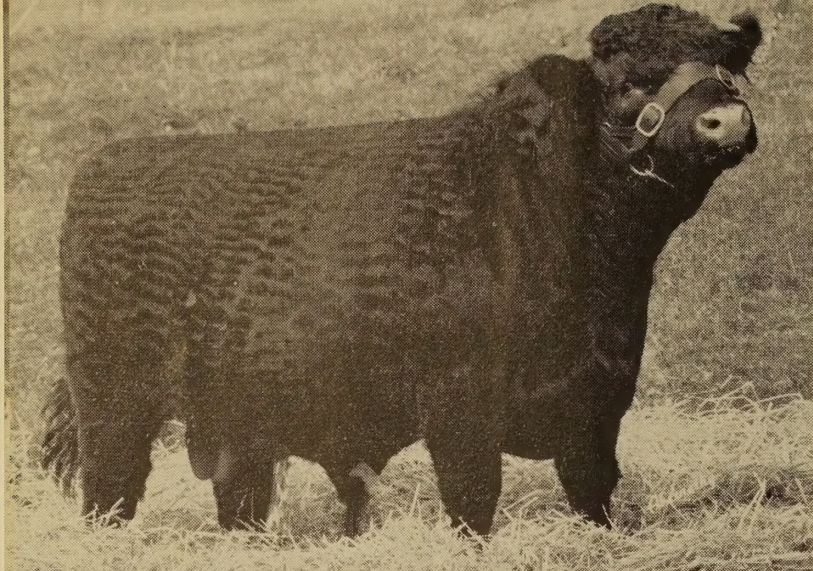

MELBOURNE ARGUS, Lot 4.

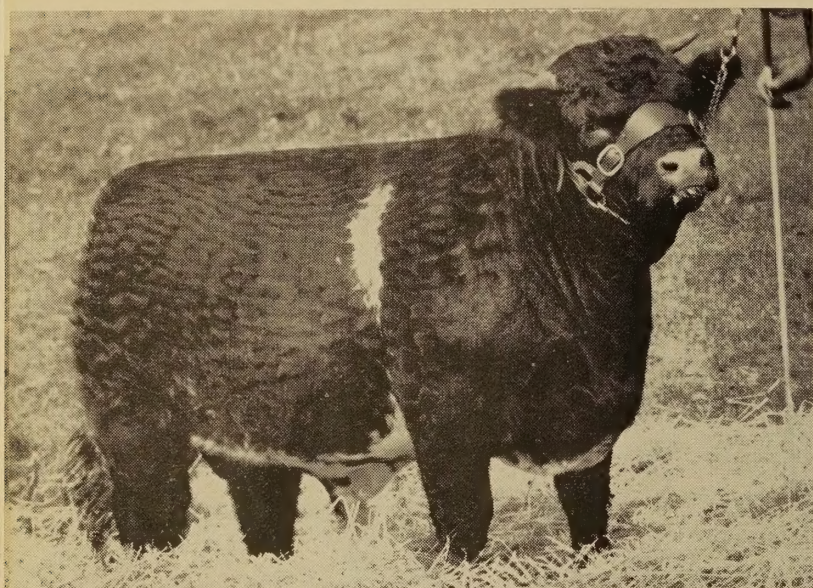

MELBOURNE BEACON — We were pleased with the sire of this bull, Melbourne Reliance, when he sold in the 1964 sale to Watne Bros., Galt, Iowa. We had used him on a few cows that produced the bull and heifer in this sale and also Melbourne Calhoun, selected by H. P. and Leo D. Miller, Danvers, Ill. Beacon combines the blood of Calrossie Diamond, Leveldale Basis, Calrossie Valiant, and the AAA cow, Melbourne Rosebud. He has size, substance and is exceptionally smooth. Semen check excellent. Weight 1,270 pounds on Sept. 9, 1966.

MELBOURNE PRINCE ROBERT — The first Calrossie Diamond calf out of a daughter of Basildon Premium and a real attraction! His dam is from one of our best-producing families and will sell in this sale. Prince Robert takes everyone's eye. Unfortunately, we didn't get a photo, as he cracked the shell on his horn and wouldn't photograph. This will be no problem by sale time and he has the head, thickness, and smoothness of the Diamonds, with the depth and substance of the Premiums. Take a look here. MELBOURNE PRESTWICK — Footnotes sound repetitious when each bull has a good dam, but we are proud of the dams of this group of bulls and the dam of Prestwick is no exception. Her first calf was Leveldale Pillar, that is siring a lot of good calves for the Millers and Guths in Illinois. Her second was Melbourne Princess Pippa, selling in the 1965 sale to William Hoewischer, Sidney, Ohio. Prestwick is her third. He could be one of the best sons of Diamond and is sure to impress you with his style, bone, and breeding bull look. Visitors to last year's sale will remember him as one of the best little calves we had. He weighed 835 pounds on September 9, 1966. He will be semen checked before the sale.

MELBOURNE PRESCOTT — A son of Calrossie Diamond out of a Leveldale Critic daughter of the grand old cow, Princess Charming, the dam of Leveldale Peerless. Prescott was weaned from his dam early, and is not in high fit. However he is thick, rugged, and has a good future with this cow family to recommend him. Weight 770 pounds Sept. 9, 1966. He will be semen checked.

Venetia Rosebud 5th
Red, J. Everett Brown

MELBOURNE ROLAND — A stylish calf by an All-American sire and out of the All-American spring yearling heifer of 1964. She in turn is a full sister to Leveldale Magnate, another All-American, and out of the same cow as Leveldale Romantic, used by Clarence Tribble, Guthrie, Okla., and as Leveldale Rosebud Noel, All-American in 1965. You will like this bull's bone, depth, and carriage. He is bred to be a sire. Although only 13 months old, his semen checked excellent. Weight 990 pounds on Sept. 9, 1966.

MELBOURNE GOLDFINDER — The oldest Melbourne Augustine bull offered, he is out of the Calrossie Diamond cow that was All-American two-year-old in 1965 after raising this bull. You will like his dam and granddam. His sire certainly needs no introduction to Shorthorn breeders everywhere. Goldfinder isn't the largest bull we have in this age group, but he is long and smooth, with a real pair of britches. Semen check excellent. Weight, 1110 pounds on Sept. 9, 1966.

First-prize group of three bulls at the 1965 International for Melbourne Farm were all sold in previous Melbourne Leveldale sales.

Melbourne and Leveldale

Your Headquarters for Herd Bulls

To that well-known slogan might also be added "Headquarters for Hindquarters." That's why the far-sighted breeders listed here selected Melbourne bulls. They know that the dollars and cents facts of life in the cattle business demand bulls with superior width, depth and length . . . that's where the beef is and that's where the money is. For those cattlemen looking to BEEF UP, Melbourne and Leveldale are your "Headquarters for Hindquarters."

First-prize group of three bulls 1966 Illinois State Fair was shown by Leveldale. Two of these bulls sell in the sale this year. The other is being retained for herd duty.

LEVELDALE CORONET — A beautiful headed son of Calrossie Diamond out of the dam of Leveldale Credence, 1965 reserve champion at the Illinois State Fair and now heading the herd of Dr. Harlan in Ava, Mo. This calf is very thick, smooth and low set and would have made a good show calf if we had needed him for that purpose. He is smooth as is his sire (at seven years) and his dam, a cow with great depth and bulk. A good look here is in order.

LEVELDALE STAND PAT — A great calf! His extremely smooth finish throughout strikes you at first glance along with great depth and thickness with quarters that fill all the way down. His dam is of the same type and is a worthy daughter of the good breeding bull, the \$6,000 Findowrie Augustus, that has headed the good herd of Chas. Harness and Son since 1959. The smooth flesh of this youngster is still a virtue. There is no other way to get smoothness except breed it in.

LEVELDALE DIADEM B — A worthy son of the great Calrossie Diadem and out of a beautiful heifer by Westdrums Wayfarer. He has a good head, strong wide back, deep quarters and stands on a good, rugged set of legs. He will do a great job for some good herd of cows. He stood second to the grand champion bull at the recent Illinois State Fair. We recommend a long look at this one.

MELBOURNE MISSIE 4th — We take great pride in offering this daughter of two International champions and two All-Americans in successive years. Augustine was reserve grand champion bull at the 1962 International and All-American in 1962 and 1963. Missie was grand champion female at the 1964 International and champion All-American in both 1963 and 1964. Missie 4th was pictured on the front cover of the May 15, 1966, issue of The Shorthorn World with her sire and dam. She has developed well as a yearling. She is bred to Melbourne Pemberton, the son of Basildon Premium we are retaining as a junior sire. The resultant calf will have one cross of Premium, two of Calrossie Diamond, and four crosses of Leveldale Basis. Never before in history has a powerful female been offered with so much to recommend her.

can part with this nice young cow. We are keeping her November 1965 heifer calf. She is due to calve on Dec. 11, 1966, to Basildon Premium. Here is an opportunity to establish a great family in your herd with the added bonus of a Basildon Premium calf only 30 days after the sale.

CINDERELLA TESS — A daughter of Bapton Upward Bound out of a full sister to Princess Charming, the grand cow that is the dam of Leveldale Peerless as well as four females in our own herd. Only because we have Princess Charming and her daughters, do we feel we

most important lines. In every case daughters or full sisters are being retained in the herd. You can see the cows selling at Melbourne on sale day.

CALROSSIE FLOSSY FENNEL — Very few daughters of Banchory Orangeman have been offered for sale, and this will undoubtedly be one of the last. We promised to select a choice draft of cows for our sale, and this is one of the choicest. She has a beautiful dark roan heifer calf by Melbourne Augustine, calved March 18, 1966, which we must keep in order to sell the cow. Re-bred to Remitall Captain Jim June 27, 1966. Examined safe in calf.

She was bred May 23, 1966, to Melbourne Masterpiece, the son of Diamond that sold to Geo. H. Miller, Thomaston, Georgia, in our 1965 sale at \$5,800. He was the grand champion at the 1965 Illinois State Fair and reserve grand champion at the 1965 American Royal. Examined safe in calf.

MELBOURNE GOLDIE 3rd — A full sister to the good heifer purchased by Reford Gardhouse in the 1965 sale and a maternal sister to the 1965 All-American two-year-old female. This is a breedy, growthy heifer, with a lot to recommend her. Sells open.

ALL ROADS LEAD TO MELBOURNE. Those driving from the east should take the major toll roads by-passing Chicago. They connect with the East-West Tollway which leads to the farm. The Holiday Inn, sale headquarters, is at the junction of Hwy. 31 and the tollway. Those coming from the west may take Rt. 30 to Big Rock or Interstate 80 (not shown) which intersects with Rt. 47 about 30 miles south of the farm.

LEVELDALE BLEND, junior stock bull at Leveldale, Illinois State Fair reserve grand champion and service sire of a number of the Melbourne females.

LEVELDALE BLEND by Calrossie Diamond has been selected to follow his great sire at Leveldale. The reserve grand champion at the 1966 Illinois State Fair, he was reserve junior champion there to a stallmate in 1965. Blend is out of Kickapoo Butterfly Bea by Bapton Majestic by Kirkton Hercules. Her dam is by Calrossie Hyperbole and a uterine sister to the dam topped the 1958 Marellbar Invitational sale at \$4,500 to Ashbourne Farms, LaGrange, Ky.

Study the photograph at left. It is an unretouched snapshot taken on pasture at Leveldale. Note the great size, bone and substance together with outstanding rear quarters, length of body and character. Here is a combination of many of the breed's most potent bloodlines wrapped up in one outstanding individual — the latest in a long parade of great Leveldale sires. Leveldale Blend is the service sire of much of their female offering.

P C Princess Marina 3d Roan, J. E. Klokkena	

PC PRINCESS MARINA 13th — Her picture is a good likeness of this beautiful, big white daughter of Elmcrest Legend. The family has also produced the reserve All-American senior bull calf of 1965; the champion Land of Lincoln steer of the 1966 Illinois State Fair open steer show, and the top-selling female in our consignment to the 1962 Leveldale sale at \$1,650. From a first-calf heifer, she has done well and we part with her reluctantly.

PC GOLDDROP 10th — Calrossie Diadem has written breed history throughout the world and one of his foremost sons is Elmcrest Diadem, the International junior champion in service at Elmcrest and Prairie Creek. Certainly one of his best sons to date is Prairie Creek Diadem 2nd, in service for W. H. Van Meter and Prairie Creek. We are quite pleased with the calves by the 2nd, and this one is a fine example.

NONPAREIL URSULA E 41st — Many good cattlemen call this the best of our draft. Her beautiful dam is one of those valued daughters of the imported Philorth Expression that assure the future excellence of the herd. The granddam, Nonpareil Ursula, was imported directly from the famed A. J. Marshall herd. She produced Shore Acres Dunrel that was used for many years by Harvey Hoewischer & Son, Sidney, Ohio. This exceptionally thick, good-headed smooth heifer sells open with breeding privilege.

Remember too that the Carusbrooke herd is certified and accredited.

General Sale Information

Location — Melbourne Farm, a mile and a half south of Big Rock, Ill., on Jericho Road. Big Rock is 10 miles west of Aurora, Ill., on U.S. 30. Melbourne is five miles west of the west end of the East-West tollway which connects directly with all major toll roads leading east through Indiana and Ohio. Melbourne is 20 miles north of Interstate 80, the major expressway which leads west through Iowa and Nebraska. From Interstate 80 exit on Illinois 47 and go north about 20 miles to Jericho Road. Then west on Jericho Road to the farm. Sale will start at 12 noon, Monday, November 7, 1966. Lunch served by a church organization.

Breeding Dates — A list showing service dates will be provided sale day. All information from the auction block takes precedence over data in the catalog.

Guarantee — All cattle in this sale are sold under Standard Guarantee endorsed by the American Shorthorn Ass'n. A condition of this guarantee is that notices of failure to breed must reach the seller within 6 months of the sale. Shipment will be made as soon as possible after sale, but all stock is at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound condition. The terms of this sale are cash. Settlements to be made with clerk at the conclusion of the auction.

Health — All cattle sold in this sale will comply with Illinois health regulations, and health certificates will be provided with each lot sold. Official calfhood vaccination for Bang's is practiced in all of the herds consigning. All cattle have either been vaccinated or will have passed the Bang's test within 30 days of sale. A 60 day T.B. retest will be allowed. The Melbourne herd is Certified for Brucellosis and Accredited for Tuberculosis.

Liability — The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Those working on the sale have been employed by the sellers for specific tasks not connected with the condition of the premises and accept no liability for the contract or accident that may occur. Where footnotes appear in this catalog, they were furnished by the owners. The owners will not be responsible for any accidents, but will make every effort to provide for the safety and comfort of those attending.

Transportation — Aurora is on the main line of the C B & Q railroad with direct trains from Minneapolis, Omaha, Denver and Kansas City. Other train passengers should go to Chicago from which rapid suburban service is available to Aurora hourly. Melbourne is about an hour's drive via the Tri-State

and East-West tollways from O'Hare International airport. If sufficient advance notice is given the sale manager or the manager of Melbourne Farm, trains will be met in Aurora and planes at O'Hare.

Sale Headquarters — The Holiday Inn, North Aurora, Ill. Located at the junction of U.S. 31 and the East-West tollway. Transportation will be provided from the Holiday Inn to the farm.

Show Rights — Show rights will be retained on some of the sale cattle through the International Livestock Exposition. Announcements will be made on sale day.

John Alexander of Melbourne and Dale McCannon of Carusbrooke Farms are shown with Melbourne Upright when he was first-prize two-year-old at the International. Twice an All-American champion the bull sold in a former sale and is the service sire of the Carusbrooke offering this year.

Leveldale Augusta Marie by Calrossie Diamond was bred and born at Leveldale and fitted and shown by Melbourne to the grand championship of the 1966 Illinois State Fair. A number of her half brothers and sisters sell.

Leveldale Affluence by Leveldale Richard, was reserve senior champion of the 1965 International for Leveldale. He had sold just three weeks earlier in the Melbourne sale to Bowen Brothers, Hoxie, Kan.

MELBOURNE & LEVELDALE

LEAD the WAY

FOR YEARS both Melbourne and Leveldale have held a premier place in the show and sale rings of the country. The All-American awards annually are filled with their productions.

For example, nine out of 31 All-American bull nominees in 1965 were shown by either Melbourne or Leveldale. Seven of them sold in the 1965 sale along with three All-American females.

Only two Shorthorns have been All-American champions in two successive years. They were Melbourne Upright, sold in the 1964 sale to Carusbrooke Farms, Peru, Ill.; and Melbourne Missie, the International grand champion female whose daughter sells as Lot 28.

Since the first All-American Awards Melbourne has had 30 nominees and many of them have sold in the sales. In addition, there are more All-American females and dams of All-Americans in the Melbourne herd than in any Shorthorn herd in North America.

Melbourne Golden Lisa 5th was reserve junior champion in the Land of Lincoln show at the 1966 Illinois State Fair. She is a seven-eighths sister to the \$2,500 heifer sold to Fernwood in the 1965 sale.

MELBOURNE UPRIGHT

MELBOURNE AUGUSTINE

ELMCREST LEGEND

MELBOURNE BASIS

Welcome to Melbourne

ON NOVEMBER 7 it will be a real pleasure for the entire Alexander family to welcome you to Melbourne. We look forward to a return visit from those of you who joined us for the first sale last year, and we extend a most cordial welcome to those of you making your first trip.

The first Melbourne herd was founded by my father in the 1920's and the present herd was begun in 1949. The Shorthorns are an integral part of a large family farming operation which includes 2,000 commercial fed cattle annually.

In our breeding program we keep the demands of today's commercial cattle industry uppermost in mind. To that end, at Melbourne you will see representatives of every good bloodline of the breed which we are trying to fuse into a superior product.

We feel that the bulls and females selling this year will be a credit to this program. Of special interest will be the large draft of cows straight from the producing herd. These are not culls in any respect. Each of them is represented by sons and daughters on the farm, and, in most cases, daughters or full sisters are being retained. These females would be a credit to any herd and we are proud to offer them, although understandably reluctant to see them leave.

Please come as early as you like on sale weekend — there is much to see. We will be joined in the auction by our neighbors from Leveldale, Shore Acres, Prairie Creek, Wernacres and Carusbrooke. These are good friends of long standing and we recommend their cattle as highly as we do our own.

Cordially,

John Alexander

DELIVERY OFFER

Provided that Melbourne makes the arrangements, they will guarantee a maximum cost of \$50 a head to transport any purchase from the 1966 Melbourne sale to centrally located points within the continental United States including the International, Ak-Sar-Ben National Sale in Omaha, and to the National Western in Denver. Any other shipments will be combined to central points to make shipping as simple, inexpensive and convenient as possible.

ARRIVE EARLY

Arrive early Sunday, November 6, to inspect the sale cattle and Melbourne herd. Then join your hosts at dinner in the Tollgate Inn in North Aurora. It is just north of the sale headquarters. See map on page 21.

John Alexander III, left, and Paul Potter, Melbourne manager, are two of the best known breed personalities — and were even better known after both suffered broken ankles just days before the 1965 sale. Some would-be humorist said, "Well, at least they broke their legs trying."
